Number SA2500SO

This Certificate issued to Team Luscombe, LLC
241 South Washington Street
Chandler, Arizona 85225

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4a of the Civil Air Regulations.

Original Product Type Certificate Number : A-694

Make : Luscombe

Model : Model 8 Series

Description of Type Design Change: Fabrication and installation of front stabilizer attach fitting in accordance with Dennis Hutchins Drawing No. 1000, dated December 5, 1988, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. This determination should include consideration of signification changes in weight distribution such as an increase in the fixed disposable weight in the fuselage. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
